Dear Friends,

It is with great pride and gratitude that we welcome you to the 2021 ish Festival! This is our third biennial Festival, and we are so honored that you are joining us to celebrate Jewish identity outwardly, with pride.

As you walk around the Festival, I encourage you to think about how far our community has come these past 200 years, and how we can all work together to build and strengthen our community for years to come.

ish is a verb, we do ish, and we cannot do ish without YOU! Our work is inclusive, creative, experiential, and supportive to the beautiful ecosystem that is our diverse Cincinnati community. With your support, we'll chart more paths forward for all of us to celebrate, together.
